

Macy's Uniform Fitting Information

Updated Feb 8, 2019

Uniform Fitting for The Banner Carriers, Honor Guard, Musician's (that's YOU band!), Tall Flags, Letter Carriers & 4 Marching Band Aids' fitting dates will take place Tuesday 1/29, 2/5, 2/12, & 2/19 at rehearsal in the Coliseum.

Other Auxiliary? See your lead for detail.

Fittings will be done prior to rehearsals (but not after) so PLEASE come early one of those days!

The doors at the Coliseum open at 6:00 pm.

When you arrive for your fitting look for/find "Step 1" to pick up an order card and a pen, then to "Step 2" to try on gloves and ear bags. Ear bags are optional for all except the Tall Flags (who will wear different head wear and mandatory). It could be cold in NYC...we recommend them!

On to "Step 3" to try on the coat then "Step 4" after filling out our Uniform Fitting Card handing it to one of the uniform committee persons, who will check it for completion and record your sizes.

What is worn under the coat? All white sneakers, white socks, and navy pants to match hat (same as the spring uniform). We recommend layering under the coat. The neck of the shirt/sweater/fleece (whatever is exposed) must be white, matching the white of the coat's hood.

Please note – Ear Bags: The optional ear bags are the ONLY type of ear warmers allowed. It's better to have purchased them and not use them, than to have not purchased them a wish you had.

Participation Fees include both Macy's uniform and trip-related common costs* - **Due March 1st**

Musicians, Banner/Letter Carriers and Band Aides: \$77 (with ear warmers)
\$62 (without ear warmers)

Tall Flags: \$77
